Master after Master course organized by the
Collegium Ophthalmologicum Belgica

Visual Electrophysiology & Visual Rehabilitation

SATURDAY, 15 June 2024 - 08:30 - 16:30

Hosted by

Inge Joniau, MD & Bart P Leroy, MD, PhD

Venue:

Auditorium C,
Ghent University Hospital (UZ Gent)
Corneel Heymanslaan 10
9000 Ghent

Programme: see next page.

Registration:

Visit the website www.opthalmologia.be
login and go to:
“My Payments”

Accreditation:

Accreditation will be requested.

Morning Sessions: Visual Electrophysiology

Part 1 - Theoretical Aspects of Tests & Indications

08:30 - 08:35	Welcome & Learning Objectives <i>I Joniau and BP Leroy, UZ Gent</i>
08:35 - 09:05	Flash, Pattern & Multifocal Electroretinography <i>T Coeckelbergh, UZ Antwerpen</i>
09:05 - 09:25	Pattern & Flash Visual Evoked Potentials <i>BP Leroy, UZ Gent</i>
09:25 - 09:45	Electro-Oculography <i>BP Leroy, UZ Gent</i>
09:45 - 10:00	Q&A <i>All Faculty</i>

10:00 - 10:30 Break

Part 2 - Visual Electrophysiology in Clinical Practice

10:30 - 10:50	Practical Use of Visual Electrophysiology <i>J De Zaeytijd, UZ Gent</i>
10:50 - 11:10	Electrophysiology in the Neuro-Ophthalmology Clinic <i>M van Lint, UZ Brussel</i>
11:10 - 11:30	Electrophysiology in the Uveitis Clinic <i>F Willermain, CHU St. Pierre</i>
11:30 - 12:00	Electrophysiology in the Ophthalmic Genetics Clinic <i>BP Leroy, UZ Gent</i>
12:00 - 12:15	Q&A <i>All Faculty</i>

12:15 - 13:00 Walking lunch offered by the Department of Ophthalmology, UZ Gent

Afternoon Sessions: Visual Rehabilitation

Part 3 - Definitions, Consequences, Examples & Belgian Registry

13:00 - 13:15	Definition, Causes & Consequences of Visual Impairment <i>S Caspers, CHU Brugmann</i>
13:15 - 13:30	Visual Impairment & Psychosocial Well-Being <i>W Schrauwen, UZ Gent</i>
13:30 - 14:15	Visual Rehabilitation: inclusion criteria – goals - methods – partners
13:30 - 13:45	<u>case 1</u> : School-going child <i>R Bruninx, La Lumière</i>
13:45 - 14:00	<u>case 2</u> : Professionally active adult <i>V Van Bellinghen, UZ Leuven</i>
14:00 - 14:15	<u>case 3</u> : Retired person <i>I Joniau, UZ Gent</i>
14:15 - 14:30	Establishing a Visual Impairment Registry in Belgium <i>J Van Aerschot, UZ Leuven</i>
14:30 - 14:45	Q&A <i>All Faculty</i>

14:45 - 15:15 Break

Part 4 - Adaptation Strategies & Training

15:15 - 15:30	Hemianopia: Compensatory training <i>T Coeckelbergh, UZ Antwerpen</i>
15:30 - 15:45	Driving with visual acuity loss or visual field loss <i>M Tant, CARA</i>
15:45 - 16:00	Central scotoma: Eccentric fixation training <i>K Beni, Points de Vue</i>
16:00 - 16:15	Peripheral field loss: Orientation and Mobility training <i>A Verberckx and W Callaerts</i>
16:15 - 16:30	Q&A <i>All Faculty</i>

16:30 End
