

# Knokke Rebel Meeting

**Saturday, October 12<sup>th</sup>, 2024**

Dear Rebels,

The plans for the 4<sup>th</sup> annual Knokke Rebel Meeting are finished!  
We're looking forward to discussing & debating VR surgery with VR surgeons!  
This year we'll be covering one single topic:

## **Recurrent Inferior Retinal Detachments**

08:30-09:00	<i>Registration &amp; Croissants</i>
09:00-09:15	<b>Intro</b> The Drama of Recurrent Inferior Retinal Detachments <i>Leigh Spielberg really hates it when this happens</i>
09:15-9:45	<b>Prevention: <i>How can we reduce the risk of recurrence?</i></b> Removal of Vitreous Cortex Remnants (VCR) <i>Koen Van Overdam is a true pioneer in prevention</i>
9:45-10:15	<b>Prevention: <i>Get Rid of the VCR!</i></b> Videos by Veckeneer <i>Marc Veckeneer has a PhD in retinal detachments, no joke</i>
10:15-10:30	<i>Coffee break</i>
10:30-11:00	<b>Treatment Options, Part 1: <i>Playing Nice</i></b> Gas, Oil & Perfluorocarbon: How to Choose What to Use & When <i>Deborah Lipski helps us make the right choice</i>
11:00-11:30	<b>Treatment Options, Part 2: <i>Extra Support</i></b> Combining VTX + Buckle for Inferior Detachments: When & Why? <i>Max Smets wants us all to buckle up!</i>
11:30-12:00	<b>Treatment Options, Part 3: <i>Getting Serious</i></b> When to Reach for Retinectomy? <i>Ernesto Bali would like you to clean it all up</i>
12:00-12:30	<b>Bonus Session: <i>Prophylactic Vitrectomy in High Myopia</i></b> Prevention Might be the Best Medicine of All <i>Peter Stalmans has a great story to tell</i>
12:30	Prizes for the Top 3 Presentations (voted by delegates)
12:40	Lunch Buffet: served here in the hotel & sponsored by the BRS
14:00	Go home.

**See you in Knokke!**
