Dear Rebels,

The plans for the 5th annual Knokke Rebel Meeting are finished!
We're looking forward to discussing & debating VR surgery with VR surgeons!
This year we're back to two separate topics:

Part 1: (Premium) IOL Selection in Elective & Emergency VR Surgery

08:30-09:00 *Registration & Croissants*

09:00-09:30 **Introduction**
An Introduction & Overview of Non-Monofocal IOL's
Raj Lucas is the premium guy for this stuff

09:30-10:00 **Non-Macular Surgery: *Multifocal IOL?***
Diffractive EDOF IOLs in VR Surgery
Joachim Van Calster

Part 2: Full-Thickness Macular Holes: Not Always as Easy as we had Hoped!

10:00-10:30 **FTMH: When Do We Refuse Surgery?**
Too Big? Too Old? Traumatic? Where Do We Draw the Line?
Veerle Van Severen helps us decide

10:30-10:45 *Coffee break*

10:45-11:15 **FTMH: The ZNA Protocol**
The "Blood Patch" for Refractive FTMHs
Cilia Augustinus explains the ZNA's solution

11:15-11:45 **FTMH: High Myopes**
What to do when axial length comes into play?
Geraldine Accou helps make a long story short

11:45-12:30 **FTMH: What Do We Do When They Don't Close?**
Do we always give it one more shot?
Peter Stalmans and the amniotic graft

12:45 Lunch Buffet: served here at the Tennis Club
14:00 Go home.

See you in Knokke!
