*Organisation of Belgian Residents in Ophthalmology*

Dear Colleagues,

It is our pleasure to invite you to the joined **BSCRS OBAO Spring Meeting 2026**. The meeting will take place on Saturday, May 23, 2026, and will be hosted at Château de Colonster - Liège, an elegant historic venue offering a distinctive setting for professional and academic gatherings. Blending classic architecture with modern facilities, it provides a unique environment for networking and knowledge-sharing. The topic of the meeting will be **Combined Surgeries**.

This meeting is designed to provide a high-quality educational program, featuring scientific sessions with expert speakers. A **preliminary program** is available on the next page. The day will conclude with a Farewell Reception.

Alongside the scientific program, there will be an Industry Exhibition Area where leading companies will showcase the latest innovations and technologies in cataract, refractive, and corneal surgery.

We look forward to welcoming you to Liège for an inspiring scientific exchange.
